A Tree and Its Fruit

A good tree doesn't produce bad fruit. And a bad tree doesn't produce good fruit. You can tell each tree by the kind of fruit it produces. People do not pick figs from thorns. And they don't pick grapes from bushes. A good man says good things. These come from the good that is stored up in his heart. An evil man says evil things. These come from the evil that is stored up in his heart. A person's mouth says everything that is in their heart.
