

Creation Day Five

Discussion Questions:

1. What did God say was to swarm in the waters?

2. What did God say was to fill the skies?

3. What great things did God create that lived in the waters?

4. What did all the great sea creatures, living things in the water, and birds all produce?

5. After God saw all that He created was good, what did God tell all the sea creatures, living things in the water, and birds to do?

6. What were the fish to do? _____

7. What were the birds to do? _____

And evening passed and morning came, marking the fifth day.
